Comment on FR Doc # 2015-14921

Submitter Information

Name: Geoffrey Carter II

General Comment

Please don't change any regulations concerning this matter. Government regulations don't work as intended and end up costing more money than what was initially planned.

I can plan my own retirement. Since I am the one who earned the money then was disciplined enough to save it, I should have complete say on how I use that money after I am 59 1/2.
